Emerge

Art Intersection presents *Emerge*, our annual exhibition of photography from student photographers currently enrolled in an Arizona public or private high school, homeschool, college, art school, or university.

As part of our mission to support emerging photographers, we invite Arizona student photographers of any age, from high school freshman to senior citizens, an opportunity to show their work in the North and South Galleries at Art Intersection.

About Art Intersection

Through our staff and facility, we promote the mission to *Learn – Create – Exhibit* as we embrace the intersection of photography with related art forms.

Our Photographic Arts Lab offers a fully outfitted facility for the beginning, amateur, and professional photographer to practice the art of photography. This is the *Learn* and *Create* space for photography at Art Intersection.

Wood floors, brick walls, and metal ceilings blend to create an inviting environment welcoming visitors to enjoy exhibitions in the Galleries at Art Intersection.
